

Congressman Tom Rooney (FL-16) FY10 Appropriations Requests

Programmatic Funding:

Citrus Health Response Program within the USDA: \$100,000,000

- This funding is for a USDA program within the Animal and Plant Health Inspection Service.
- Funding for this program is used to develop a national action plan to respond to threats to our citrus industry posed by Citrus Canker and greening. The CHRP provides regulatory framework to identify production standards that enhance the industry's ability to produce fruit.

Project Requests:

- 1.) Indian River Lagoon-South:
 - a. Requested amount: \$55,000,000
 - b. The entity to receive funding is the South Florida Water Management located at 3301 Gun Club Road, West Palm Beach, FL 33406.
 - c. This project was authorized in WRDA 2007 as a component of the Comprehensive Everglades Reconstruction Project.
